

Unit Exemption Request Applications

Please read this page carefully before completing the exemption form and retain for your records.

- Exemptions are a concession and are only awarded at the discretion of ABE; there is no automatic entitlement to exemptions.
- ABE can only award exemptions based on qualifications awarded by recognised institutions, i.e. those which are recognised by the local Ministry of Education as public sector institutions, or the equivalent status under their regulations.
- The number of exemptions you can claim (up to a maximum of two per level) will depend on how closely your previous qualifications match the content of the current ABE unit syllabus.
- You may **not** apply for more than one unit exemption in any designated pathway: one of the exemptions must be for one of the core units in any one level.
- Consider your choice of unit exemption carefully - you may not re-apply for different unit exemptions if your first application is rejected.
- You must send official proof of any relevant qualifications which are held or which are currently being studied for, with your application for exemption form for us to assess your eligibility and confirm any entitlement to exemptions.
- Photocopies or scans of award certificates, academic transcripts and qualification curricula must be submitted for any qualification upon which you wish to claim an exemption.
- Any document which is not in English must be officially translated before submission.
- Students will be required to pay an exemption fee for each unit exemption awarded.

Unit exemptions will **not** be granted for the following:

- where the unit has already been attempted by the applicant unsuccessfully.
- where the evidence of qualifications gained is dated 10 or more years prior to the date of the exemption request.
- Where the unit or qualification achievement already held was obtained via a pre-existing exemption within that unit or qualification.
- for 'top-ups' where a learner wishes to add a pathway to a pre-existing ABE Diploma held by a learner.

Fees

ABE charges country-specific fees for exemptions outside of Europe. Please contact admissions@abeuk.com for the exemption fees charged in your country.

- A percentage of any fees paid for exemptions not awarded will automatically be credited to your ABE account unless a refund is specifically requested. Refunds can only be requested within 14 days of application.

Forms to Complete

There are three forms which need to be completed:

- **Application Form:** this contains all the applicant's details – address, email and phone contacts and ABE Membership Number (see below).
- **Unit Mapping Form:** applicants should use this form to map the content (learning outcomes and assessment requirements) of the qualifications which they already hold against the content of the chosen ABE unit. Use one form per unit application.
- **Finance Form:** fill out the form with all the necessary financial information as indicated.

Documentation to Provide

In addition to the forms, please provide copies of:

- Qualification certificates including the subject area that you wish to claim an exemption
- Qualification transcripts covering the module or unit content you wish to claim an exemption for
- Qualification syllabuses covering the units you wish to claim an exemption for

Please return the three forms with copies of the appropriate documentation to ABE, New Malden Business Centre, 46-50 Coombe Road, New Malden, Surrey KT3 4QF, United Kingdom or send an email to: admissions@abeuk.com.
