

ANGLIA RUSKIN UNIVERSITY

BA (HONS) MANAGEMENT (TOP-UP)

This programme will give you a solid foundation in business and management theory, as well as the opportunity to develop the practical skills and analytical techniques used in different sectors. Graduate and you'll be more than ready for the professional workplace and the challenges of the business world. During the course you'll study and practise all the main areas of management, including human resources, marketing, accounting and finance, and information management. Modules on contemporary issues such as globalisation, sustainability and social and demographic change will put it all into context – as will content looking at commercial strategy and behaviour.
